The Carpet-Baggers Call for Fed. eral Troops .-- The Governor's Despatch that they are not Needed --- A Sober Word to Whom it may

We desire to call the attention of the public to the resolutions of the carpetbaggers and their allies in the Legislature applying to the Government at Washington to send Federal troops to the State under pretense of preserving order. The application is based upon a gross calumny on the people of the State and charged with the execution of the laws. In this connection, we would also refer eport telegraphed from Washing-

has notified the Washington the not needed in the State and that whatever crimes exist can be suppressed and punished by the legally constituted authorities of Mississippi. The scenes of these reported distur-

bances are laid in two or three counties in the Eastern or North-eastern part of the State. Undoubtedly if violent and extra-legal measures have been resorted to they are the natural product of the outrages, exactions and impositions of of the Public School system-and above corrupt, incompetent and vicious men and beyond all others, the execution of who are temporarily filling offices of trust the Constitution requiring biennial elecwhich the Legislature has not permitted the people to exercise their constitutional right to supply with agents of their guaranteeing to the people the exercise own choice.

mittee was appointed to investigate the than reputation-his re-che

infamous Greed on the question of Social dissatisfaction with the Equality is the modesty and good sense of his colleague, Parson Boulden. When he by anything that the P gets upon a train whether there is a suitable seems likely to docar provided for the negroes or not, he always seeks the company of his own color.
There is something good in the man who is
not ashamed of his race. He who attempts
to eradicate the lines drawn by nature shows
himself either party, an
istration seems to have no re
proportions out of all reason,
seems likely to the party, an
istration seems to have no re
proportions out of all reason,
seems likely to limself either a knave or a fool.

than ten years ago that erts, would be robbers, were taken out by a large body of men, given a hondred lashes tain railroads, and now refuses to redeem these apiece, and told to "get further" before another moon shone upon them. It is probable they got.—Columbus Index.
